FUNERAL TODAY

Services of the Late Mrs. Jane Morris From M. E. Church

The funeral of the late Mrs. Jane Morris will take place at 2 o'clock this afternoon from the Third Street M. E. Church.

The services will be conducted by the Pastor, the Rev. G. W. Buntin, assisted by two former Pastors of this good woman, Presiding Elder F. W. Harrop and Rev. Thomas Hanford of Augusta.

Several months since during a severe illness Mrs. Morris made known certain wishes as to her funeral and they will be carried out by the members of her devoted family.

Her favorite hymns, "Asleep in Jesus," "Oh, Think of the Home Over There" and "How Firm a Foundation," will be sung by a choir

she selected, composed of Mrs. J. H. Dodson, Misses Esther Hutchins, Grace Bierbauer, Emma Nolin and Birdie Walsh.

The pallbearers will be Messrs. George N. Harding, John Brodt, John Boyer, M. C. Hutchins, John Walsh and John Shepard.

Following the services at the Church the remains will be laid to rest in Maysville Cemetery.

C. W. Lancaster of Cincinnati made the startling statement at Portsmouth that he saw four men drown in the Ohio near Maysville Sunday afternoon about 5 o'clock. They had rowed to midstream in a johnboat and their actions were those of men under the influence of liquor. The boat was accidentally overturned, and all the men drowned before boats could get to them. This is the first news of the awful affair that had reached Maysville.

HERE'S NEWS:

"The Prohibitionists are claiming an empty Jail as the effect and a 'dry' county as the cause in this little story. The Mason County Jail has not a prisoner in it for the first time in twenty years. Local option went into effect July 1st."—Frankfort State Journal.

Why, Bro. WALTON, the Mason County Jail is full of prisoners; several in for murder and others for minor offenses. You have got your counties slightly mixed.

By the end of the campaign there will be several thousand babies and a hundred Post-offices named after Judge TAFT. The States that have Taft on the map at present are Indiana, Kentucky, Louisiana, Mississippi, Missouri, Oregon, Texas, Tennessee, North Carolina, South Carolina and Oklahoma.

HARRY THAW's bankruptcy petition gives some idea of the size of doctors' and lawyers' bills when a client has money. Almost all the liabilities of \$453,140 were for the cost of his two trials and insanity proceedings. His mother paid in cash \$191,500. Besides what they have already received, one firm of lawyers wants \$60,000, and another has sent in an \$80,000 bill. The alienists demand from \$600 to \$12,000 each. THAW's income from his father's estate is \$33,000 a year. It would take fifteen years' income to pay these bills. Murder may be one of the safest of crimes, but under some circumstances it is also one of the most expensive.

"Leggit Fergubb, your Honor," answered the prisoner, a red-nosed specimen of the genus hobo.
"You are charged with vagrancy, having no visible means of support, and being a common nuisance in the neighborhood. What have you to say for yourself?"
"I can't got no visible means of support, your Honor, but that ain't my fault. I'm out of work."
"Have you tried to get work?"
"I couldn't begin to tell you, your Honor, how hard I've tried."
"I suppose not. How long is it since you have had any occupation?"
"Bout a year. Or it might be two years."
"What was your last job?"
"I had a position in a barber shop."
"A position? What kind?"
"Juxtaposition, your Honor; I was next."
"Six months in the Workhouse!" roared the Police Justice. "Call the next case!"

HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. COLLIE DOGS AT THE STATE FAIR

The collie dog exhibit at the Kentucky State Fair promises to be a greater attraction than ever before. A new departure, one entirely original, and the first ever held in this section will be a sheep trial given by an expert, which will show the usefulness of the collie to the farmer. A creditable show of this nature will appeal to every collie fancier, as four points are to be gained by owners toward championship medal by American Kennel Club. It is expected that this year's show will bring out 150 collies, including many famous Eastern dogs. The sheep trial will be started by expert Eastern dogs. Any farmer in the state desiring to train up his dogs along this line and can compete, will be eligible.

I was subject to attacks of kidney complaint from childhood, and as I grew older the complaint became more severe. In my efforts to find relief I used remedy after remedy, but no benefit was obtained until I began taking Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. Special Prizes.—Sup.rintendents of Department its.

The very handsome sum of \$25,000, supplemented by special prizes amounting to \$5,000 will be offered in premiums at the sixth annual Kentucky State Fair to be held on its new grounds and in its new home the week of Sept. 14 to 19 inclusive. In nearly every department the prize money has been materially increased over past years, and as a consequence the most attractive and liberal classification ever presented by a fair south of the Ohio river is offered to prospective exhibitors. In the horse department the prizes are 30 per cent greater and in the mule and jack departments 25 per cent in excess of last year's list, and still a more liberal increase in the poultry and woman's departments.

Among the special prizes listed are two handsome trophies presented by the Louisville Automobile Club, one for the best American carriage animal to be judged by the standard of classification provided by the United States Department of Agriculture governing the exhibit of carriage horses at the various State Fairs and Expositions of the country, and one for the best pair of mules owned by a Kentucky exhibitor. The latter in addition to its value and attractiveness is something in the way of a novelty, in that it is offered by an automobile organization for an animal who the world knows to be its strongest competitor in trade.

Other specials are the Highland Home Cup, valued at \$100, offered by Gay Bros., of Pisgah, Ky., for the best and finest saddle-bred foal of 1908; the Montgomery Chief Special, offered by Ball Bros., Versailles, Ky., for the finest and best stallion, mare or gelding, any age, by Montgomery Chief; a trophy offered by the American Saddle Horse Breeders' association for the best registered stallion or mare not over three years of age and to be shown in hand; a cup by Powhatan Stock Farm for the finest stallion, mare or gelding; a \$50 cup by Smyser Bros., of Lyndon, Ky., for roadster championship, and a trophy by John M. Sharp of Louisville for the light harness championship; the Dr. McChord cup given by W. P. Hayes of Bloomfield, Ky., for senior herd of jack stock, and American Jack Breeders' Association Special for junior herd of jack stock; the lump sum of \$500, donated by the American Shorthorn Cattle Breeders' Association for prizes for Shorthorn cattle, and a like amount by the American Hereford Association for prizes for the Hereford breed; \$125 offered by the Louisville Tobacco Warehouse Company for special prizes for tobacco; and a grand silver loving cup presented by the American Berkshire Swine Association for the best young head of Berkshires exhibited by a Kentucky breeder; and numerous specials for farm products offered by the Hon. M. C. Rankin, State Commissioner of Agriculture.

Judge W. H. Taft, through an agent, Tuesday bought a Southern plantation horse, sixteen hands high, weighing 1,200 pounds of Shelby T. Harrison of Lexington. The horse won the first prize at the Bluegrass Fair Tuesday.

LINCOLN, NEB., Aug. 12th.—William Jennings Bryan is willing to be classed with the martyrs of history, for today, in his notification speech accepting the Democratic nomination for President, he said: "Only those are worthy to be trusted with leadership in a great cause who are willing to die for it."

At Lincoln yesterday, the Hon. William Jennings Bryan was, for the third time, formally notified of his nomination by the Democratic party as its Presidential standard bearer. The exercises accompanying the big event were non-partisan in scope and enthusiasm, and the "Peerless One" was given a rousing ovation. Hon. John W. Kern, nominee for Vice-President, and a great host of lesser Democratic lights were present and the occasion was made a notable one.

Mr. Bryan's speech of acceptance was of medium length and of the usual Populistic demagogic caliber. Mr. Ollie James of Kentucky no doubt declares it the Democratic Bible, but the Republicans are used to such gush; consequently, Mr. B.'s effort falls upon the country like a twice-told tale upon the

ear of the drowsy man at night, or words to that effect.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials.

I therefore let you know that I shall recommend them to any one suffering from such troubles."

Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. She will treat your letter in confidence and advise you free. No woman ever regretted writing her, and because of her vast experience she has helped thousands. Address, Lynn, Mass.
